Dear Members of Borough Council,

The Pottstown Human Relations Commission is a commission of volunteers who are committed & dedicated to working within the borough, for the borough and the community of Pottstown. Our mission is to give the people of Pottstown a voice, a platform, and to provide a level playing field for employment & housing, issues, and other services within the community.

Our mission is also to be accountable to you, Borough Council, to inform you of the status of Human Relations within the community.

As the human Relation Commission, we protect the civil rights of the community as a whole and those who want to speak out in a safe place where they can seek help and learn of their rights.

Please!!

Do not let your community fall, you are elected by the people to represent the best interest of the community.

Thank you, in advance for your anticipated attention to this important matter.

Rita
