

BOROUGH WIDE SPRING CLEAN UP SATURDAY, APRIL 25, 2009

This cleanup project is thanks to **Susquehanna Bank, Genesis Housing Corp and PENNDOT** providing funds and the necessary materials to do this cleanup, now we need **YOU** to give your time.

No one is too young or too old to help make a difference. Service clubs, Boy Scouts, Girl Scouts and Church Youth Groups can use this opportunity as a Community Service Project. Teach them the importance in taking pride in their community.

If you don't want to "officially" sign up, encourage your neighbors to use April 25, 2009 to clean up your neighborhood. If everyone makes an effort, we can make a **BIG** difference.

All interested individuals or groups should contact Bill Sharon who is coordinating this event so we know how many people will be involved on April 25, 2009. His e-mail address is bsharon@pottstown.org and his Borough phone number is 610-970-6507.

We welcome your feedback and ask you to spread the word in taking pride in our community.

Take pride in your community and help make it beautiful!!
