Call to order 3:30

Jim Derr, Miles Feather, Lynn Dewees (remote)

Zach Nelson participating

Remote link: <https://meet.google.com/ndx-uzfs-min>

1. Public Comments

None

2. Questions about the EAC

Discussion about the EAC to help newest member Miles Feather and new assistant Borough Manager.

Reviewed function and charter of the EAC

Options about meeting schedule, is monthly the best, or should we meet less often.

3. Ongoing Issues

- Renewable Energy / Sustainable Energy / Carbon Neutral efforts for Pottstown

Borough has taken steps on LEDs

Borough has a Sustainability Plan which was adopted in 2018. Zach mentioned that the Borough keeps track of actions. We suggest that be made a little more public.

There have been several times when the Borough making progress, but not really publicized. The EAC will try to help.

- Communication / Outreach & education info

Education and Outreach is a Control Measure for Municipal Stormwater permit and reporting. The Borough has had weak scores in this measure. The EAC has tried to assist in this in the past and can try again in the future. We need better communication with Borough operations to be more effective.

3. New Business

Members have been invited to a clean energy event by the Community Action for Clean Energy for the Philadelphia region.

Next Meeting: December: 25<sup>th</sup> No meeting  
January 22<sup>nd</sup>
