# BOROUGH OF POTTSTOWN PARKING PERMIT INFORMATION

Effective: 1/1/2019

## Things to know:

- Permit applications can be obtained at Borough Hall, 100 E. High St. or online at <https://www.pottstown.org/462/Parking-Permits>
- Residents age 60 and over receive 50% discount - proof required.
- Parking is on a first-come, first-serve basis - not guaranteed.
- Posted maximum parking time limits do not apply to parking permit holders.
- Parking permits are valid for any parking spaces within the designated zone or lots except where 30-minute parking is posted. Permits are valid for handicapped spaces provided you also have a valid disability placard.

**NEW! PUBLIC PARKING LOT PERMITS (Lots 1-6):** Available to any residents, businesses, employees and visitors parking in any numbered public parking lot regardless of mailing address. Please see map on reverse for numbered lot locations.

**RATES:**      \$15.00 monthly    \$40.00 quarterly    \$150.00 annually

**ON-STREET PERMITS:** All on-street permit applications must include the following documentation in order to process your application:

- For All On-Street Applications: A valid vehicle registration card and valid driver's license.
- Residential On-Street Permits: Proof of residence in the form of a government issued identification or temporary identification. The legal address of your residence determines the zone in which you are eligible to park (See address locations below).
- Business or Employee On-Street Permits: Proof of employment provided with an employee identification card or paystub which displays the address of the employment location and employee name. Applicants may also bring a memo from their employer validating the name of the employee and the address of the business. The address of your employment location determines the zone in which you are eligible to park (See address locations below).

**On-Street Permit Parking Zones:** Your business or residence address determines your designated zone. Permit holders may park anywhere within the designated zone.
