**WALNUT STREET-
CHESTNUT STREET
ROWAN ALLEY AREA**

In 2018 an underground arch collapsed. Due to the damage, the alley at the rear of 42 Walnut Street was unstable and had to be closed. As a result of the alley closure, the collection of trash, recycle, and yard material was moved from the alley and collected in front of the properties, curbside. The affected area was the alley, known as Rowan Alley, between the south side of Walnut Street and the north side of Chestnut Street, from Manatawny Street to York Street. Collection days remained the same.

**PLEASE BE ADVISED:
ALLEY COLLECTION SERVICE
WILL RESUME AS OF

Should you have any question, please contact the Public Works Department at 610-970-6527. Thank you for patience and cooperation during the alley's closure.
